EXPERIENCED BROKERS

Kathleen and Ashley have over 28 years of combined experience in retail and commercial brokerage in Portland. In 2013, they partnered at Commercial Realty Advisors NW LLC (CRA). They are tuned into the pulse of Portland and are working actively to continue to transform Portland's retail landscape. From multi-block mixed-use projects, such as the Brewery Blocks, to single tenant adaptive re-use properties, and everything in between, they have leased and sold over 2,100,000 square feet of ground floor retail in Portland throughout their career. They represent numerous active landlords, developers, restaurateurs, and retailers, including top local, national, and international retailers. Ashley and Kathleen pride themselves in their attention to detail, and overall quality and care in their work helping "first to market" brands, develop targeted market strategies, guide relocations and assist with traditional tenant representation and site selection in the Portland metro area.
